MICHAEL DEANE NAMED BY FR. MARK AS DIRECTOR OF YOUTH FAITH FORMATION

Those of you who have seen Michael Deane teach know that he has a knack for connecting with kids of all ages. We are very happy that Mike has agreed to take on the additional responsibility of working with the teens of our parish. He will oversee religious education classes for our high school students, coordinate the sacrament of Confirmation, and plan special outings and activities for teen including future mission trips. He will work closely with our dedicated volunteers as well as our new Director of Child Faith Formation, Lori Glass.

Michael graduated from Marywood University with a major in Music Performance and a minor in Religious Studies. He taught music at Holy Cross High School in Pennsylvania and, among other things, was the Director of Youth Ministry at Divine Mercy Parish in Scranton. He also founded a non profit theatre group for grade school and high school kids.

This will be an *additional* part time position here at SFDS for Mike. He will continue of course as the Director of Liturgy and Music for our Parish as well as teach the music classes at our parish school. Our church community is truly blessed to have a person with Mike's talent and dedication! Please congratulate him when you see him!

HELP FOR NEW PARENTS

Catholic Charities' Pregnancy and Parenting Supportive Services program was awarded a grant through the Aurora Better Together Fund to offer in-home therapy for moms and dads who are expecting a child or have an infant in their home. The therapist assists clients who have a mental health diagnosis or those who may be struggling with postpartum depression. The therapist works alongside the home visiting team that offers in-home education and support.

If you are in need or know someone who might need help, please call (414) 573-5899.

HELP FOR PARENTS OF YOUNG KIDS DURING MASS!

We now have "Busy Bags"---small backpacks with quiet activities for children during Mass---on the left side by the chapel entrance on hooks. Please help yourself and simply return it when you leave!

OUR LADY

Our Lady of Guadalupe, also known as the Virgin of Guadalupe, is a Roman Catholic title of the Blessed Virgin Mary associated with a venerated image enshrined within the Minor Basilica of Our Lady of Guadalupe in Mexico City. It is hardly a coincidence that in 1945, the year that World War II ended, Pope Pius XII looked at the suffering, fragmented world and declared Our Lady of Guadalupe patroness of the Americas. - - Wikipedia

If you get a chance, take a minute to look up the story of Juan Diego and Our Lady of Guadalupe on the internet. You'll be inspired! <http://www.catholic.org/about/guadalupe.php>.

Our Lady of Guadalupe has always been an important part of the customs and celebrations of the St. Francis de Sales Hispanic community, especially on her feast day which is December 12.

It seemed most appropriate to honor Our Lady of Guadalupe within our new devotional area. Kathie Murray took the lead on this and worked with many people from the Hispanic community to get it just right. Our statue was custom ordered from Italy and hand carved of wood. It was delivered as bare wood and needed to be painted. We hired Conrad Schmitt studios and David, one of our favorite artists, to do the work.

Kathie offered several meetings with the Hispanic group to review what was important with the design of the area so that it would match their traditions. She then organized a group to "visit" the statue in Milwaukee at the studio. The group had input into the colors and design of statue which is rich in symbolism. There will be more details on this in our next blog, but even the colors are significant so we had several "consultants" from the Hispanic group who helped to ensure that the statue would be exactly right.

We are very happy to have worked collaboratively with our Hispanic friends on Project 2017 to help to honor their religious history as well as to enrich our knowledge. More about "Our Lady" and her symbols will be coming soon in our next blog!
