ETERNAL REST GRANT UNTO HER, O LORD,
AND MAY PERPETUAL LIGHT SHINE UPON HER

I would like to send out a special thank you for the group of women and men, joined by the Knights of Columbus who helped us put together a wonderful St. Patrick's Day Mas and Feast. We were pleasantly surprised at the enormous number of people who ordered meals and came to the celebration Mass. It is a great sign to all of our Community that we are truly alive in Christ and have continued in our evangelizing the Good News to all of our community of Lake Geneva and the surrounding towns. Again thanks to all of you as we continue to build the Kingdom of God here on earth. Many Irish Blessings, Fr. Ray Guthrie

Church Fathers Part Two

If you came to our first gathering or missed it, we invite you to join us for our second session on the Church Fathers at 6:30pm on March 23rd in the Parish Church. This time we will look at St. Irenaeus, Clement of Alexandria, Origen, St. Augustine of Hippo, St. Cyril of Jerusalem and many others who looked at such important questions as How is the Divinity and Humanity of Jesus shared when Divine and Human are opposing concepts. When we use the word Logos (Word) as Jesus is the Logos the "Word of God, what does that really mean. The word Gnostic: a term referring to a group of people who felt that as Catholics we were imbued with a special Knowledge (Gnosis) some of which is highly spiritual and prophetic. Later creating some problems between establish belief and devotional belief in the Church. These are just a few of the issues, all of which are still struggles today for the general community of believers today.

There are many ways that our feast days are placed on our liturgical calendar. Some are based on the death of a Saint, or a special day that a Saint represents in the history of the Church. Other Feast days were placed on days to offset Pagan celebrations when those lands became Catholic. One that shouts loudly is the celebration of Christmas.

Most scholars realize that Jesus was probably born in the Spring time based on the stories of his birth. When certain Feast days are chosen they are based on the reality of the human cycle of Life.

This week we have one of those Feast days. Once the Western Church choose December 25th as Christmas, then two other Feasts fell into place. One being this week's Feast on March 25th "The Annunciation of the Lord" and the other based on our Blessed Mother's visit to Elizabeth after the annunciation. As the Gospel of Luke states Elizabeth was in the sixth month of her pregnancy hence June 26th is the Birth of John the Baptist. This is also why many believe the Feast of St. Joseph is March 19th on the calendar in preparation for the Annunciation.

Our Church is full of many splendid celebrations that are connected to the flow of life around us. Lent being one of those beginning in the desert of winter when the light has not fully reversed the course of nature. Finally ending with the Resurrection and new life blooming around us. What is even more interesting is that most of our feast days are solar based in timing, whereas Easter is lunar based which is why Easter varies in celebration by twenty-eight days, not being based on 365 days as most Feasts.

Consequently, as we celebrate the Feast of the Annunciation of the Lord this week take some time to reflect on the many ways our Church continues to connect everyday life and the life of the Church through Jesus as he said I make all things New. Continued with the prophecy of Isaiah that the Messiah will establish a New Heaven and a New Earth. Blessed Annunciation!

A SAD FARWELL

I would like to make a sad but joyous announcement. The Joyful part first. Mr. Michael Deane who has been our Director of Music and Liturgy for the past seven years plus, has had a great offer to move up in his career as the Director of Music and Liturgy at St. John Vianney in Brookfield, WI.

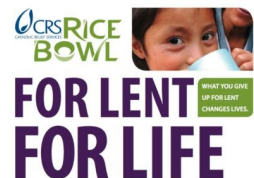

He has accomplished so many countless things for our parish over these years such as with our choirs, ministries, and liturgies. These areas of our Church have grown and flourished under his guidance and leadership. Still on the positive side is that Michael and His Family will continue to be active members of our parish with Laura his wife still teaching at our school next year and his children attending St. Francis de Sales, which shows their great Love for our Community. But as I said to Michael who I have thoroughly loved working with for these past many months, how can you pass up an Offer of such a large move up the ladder as at St. John Vianney.

The Sad news even though he has volunteered to help us whenever we need help and he can be there, is that he will be truly missed and very hard to replace that quality of leader. I love Music and can see the great way Michael has been a gift to us which I truly thank God for. As I have learned as a Priest: When you have great music you have great Liturgy.

Michael will always be with us but as our Director of Music and Liturgy he will begin at his parish of work on July 1st. Michael know you are in our prayers and thoughts as you move up the ladder with your career.

NUESTROS FELIGROS EN ST. FRANCIS DE SALES

Este año debido a Covid 19 solo pudimos ofrecer nuestras Clases de Educación Religiosa para los años sacramentales que son del Segundo Grado para la Primera Reconciliación y la Primera Comunión, así como la Preparatoria para la Confirmación. Aun así, queríamos conectar a nuestras familias jóvenes con programas en línea que ayuden a cumplir con este componente faltante de la educación católica para nuestros jóvenes. Con la ayuda de tres de nuestros feligreses, hasta que comenzamos de nuevo la Educación Religiosa, encontramos un programa que muchos de nosotros hemos usado en otras parroquias durante los últimos años. Se llama FORMADO. Tiene muchas ofertas excelentes que no son solo para los niños de nuestras familias, sino para todos los miembros de la parroquia. En consecuencia, nos hemos registrado con "FORMED". Esto está abierto a todos en nuestra parroquia. Una gran herramienta familiar para la educación católica para todos en casa: Registrarse en FORMED es más fácil que nunca:

1. Vaya a formado.org/signup
2. Seleccione su parroquia ingresando el nombre, la ciudad y / o el código postal (el código postal es más fácil)
3. Regístrese con su nombre y dirección de correo electrónico.
4. Verifique en esa cuenta de correo electrónico un enlace para comenzar a usar FORMED. Hemos creado una serie de videos para guiar a sus feligreses a través del inicio de sesión, la inscripción y el uso de la plataforma.

Oración a SAN JOSÉ

Salve, custodio del Redentor,
y esposo de la Santísima Virgen María.
A ti Dios confió a su Hijo;
en ti María depositó su confianza;
contigo Cristo se forjó como hombre.

Oh, bienaventurado José,
muéstrate padre también a nosotros
y guíanos en el camino de la vida.
Concedenos gracia, misericordia y
valentía, y defiéndenos de todo mal. *Amén.*

This Sunday's Gospel Jesus responds to those around him, that my hour has not yet come and in other parts of the Gospel Jesus slips out of the Temple precinct undetected. Because of this stepping out of the limelight or stepping back from His Public ministry it was common to cover the statues in the Church until the Night of the Easter Vigil when the Public life of Christ is again proclaimed in the Resurrection.

We cover the Crucifix as a reminder that the Illuminated Christ will come to Fulfillment in the Resurrection when what was hidden is now revealed as the fourth Sunday of Lents Gospel expressed that those who live in Truth come to the Light. The Paschal Candle the symbol for us as Catholics at Baptisms and Funerals of the Light of Christ guiding us into the world as through Baptism and as guiding us to the gates of Heaven as in Funerals is extinguished and removed from the Church.

These two symbolic rituals are wonderful ways as Catholics to prepare ourselves for the next two Sundays of Palm Sunday and Easter Sunday, connected by Holy Week. As you see a covered cross and an extinguished candle remember the words at the beginning of the Gospel of John and spoken during last week's Gospel, the light shines through the darkness and the darkness did not over-come it.

ST. FRANCIS DE SALES PARISH SCHOOL NEWS

Students at SFDS are working on many different activities as the school is wrapping up the third quarter. Students in 6th and 7th grade are reading a novel and working on informational research to gain more background about the novel topic. The 4th graders are learning about Natural Hazards in Science, and how they shape the earth. These include tornados, tsunamis, volcanoes, and avalanches to name a few. They have been making creative PowerPoint presentations and participating in fun experiments to simulate different natural disasters. The fifth grade class is making beads for the Students Rebuild Water Challenge which is spearheaded by Amazon's CEO Jeff Bezos. For every twenty beads made one person in Tanzania gets access to fresh water. Students are also continuing to pray the Stations of the Cross during this Lenten season.
